## Week of August 2

<b>Theme</b>	<p>We have received from God...how will we share what we have been given?          How can we multiply the ways in which we serve our God this summer?          Can we multiply the amount of times we pray?          The ways in which we show kindness?          The people we help?          Suggested story book: "Stone Soup" How does this connect to the Gospel?</p>
<b>Scripture</b>	<p><b>Isaiah 55:1-3; Psalm 145; Romans 8:35, 37-39; <u>MT 14:13-21</u></b></p>
<b>Science</b>	<p>How can we grow...in our love of others?          Our understanding of the challenges others face?          In our knowledge of all of God's people?          These are some of the ways we see with God's Eyes.          This science experiment helps us to think about GROWING in the way we see the world          INSTA ICE: <a href="https://teachpreschool.org/2014/07/18/fun-with-frozen-making-ice-grow/">https://teachpreschool.org/2014/07/18/fun-with-frozen-making-ice-grow/</a></p>

For example, if you have donated clothes in the past to your local shelter, could you make a plan to choose one item a month to donate and make your commitment to the shelter a regular occurrence?      OR      try hosting a neighborhood food drive...put a box out and notify neighbors of the collection...watch the generosity multiply!</p>
<b>Prayer</b>	<p>Are you familiar with the psalm response "I will praise your name?"      It is based on Psalm 145, a psalm of praise to our God!      If you read the psalm it talks about the greatness and glory of God.      This is a good week to reflect on the multiple blessings you have received from our God!      Spend some time praying in gratitude.</p>
<b>Reflections from the Hammock</b>	<p>Who needs your compassion right now?      Where can you focus your vision toward growing a new place in God's kingdom for yourself and the community around you?      Where are there few resources that could benefit from the work of many hands</p>
